OFFICE OF THE
HON'BLE THE RESIDENT
IN MYSORE, BANGALORE.
8 SEP 1939
Diary No. 9377
File No.

To

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

I have the honour to state as follows:-

1. I have been noticing a tendency at some of the European Schools of the station to send in a decreasing number of candidates for the Middle School Examination on the score that, in many cases, parents do not wish their children to take the examination. At one school only 8 out of 21 pupils were sent up for it, and at another 12 out of 20. The result is that weak pupils often get into Standard VIII and thence go to Standard IX, and the amount realised for the conduct of the examination is reduced.

2. Considering that in Indian schools pupils have to pass the Lower Secondary Examination before they may be promoted to Form IV, I have felt that it was time that there was a corresponding external examination in European Schools to regulate promotions into the High School classes. Since there is already the Middle School Examination, all that is necessary is that a rule should be framed - as in Madras - making a pass in this examination a condition for promotion to Standard VIII. At the last meeting of the Examination Board held on 19th August 1939 I had the matter

as the one suggested "would be beneficial to the schools, provided always that ample provision is made for exemption, by the Inspector, from the operation of the rule in deserving cases"; also on the 1st September 1939, when in Madras, I ascertained from the Inspector of European Schools what the actual procedure in Madras was, and he furnished me with full particulars.

Pratap

3. I therefore recommend that after Article 21 of the Code of Regulations for European Schools the following paragraph be added:-

"Ordinarily no pupil is fit for promotion to Standard VIII who cannot pass the Middle School Examination, and, except with the sanction of the Inspector, no pupil who has either not been sent up for the examination or who has failed to pass it should be promoted to Standard VIII".

I incorporate this recommendation in a draft notification for favour of approval. I request that 50 spare copies of it may kindly be sent to this office, if approved.

ORDER.

The Hon'ble the Resident is pleased to direct that in the Code of Regulations for European Schools in the Civil and Military Station of Bangalore the following paragraph be added to Article 21, the new rule to come into force with effect from the current school year:

"Ordinarily ... ... Standard VIII".
